**NOTICE TO THE SHAREHOLDERS OF THE SUB-FUND
AMUNDI EUROPE EQUITY MULTI SMART ALLOCATION SCIENTIFIC BETA**

(ISIN:LU1681039563)

Terms not specifically defined herein shall have the same meaning as in the Articles of incorporation and in the latest Prospectus of the Company.

Luxembourg, 24 March, 2023,

Dear Shareholder,

The board of directors of the Company (the "**Board**") considers that the value of the net assets in the sub-fund **Amundi Europe Equity Multi Smart Allocation Scientific Beta** (the "**Sub-Fund**") has decreased to an amount determined by the Board to be below the minimum level for the Sub-Fund to be operated in an economically efficient manner.

Considering Sub-Fund's low level of assets and the fact that the Board does not expect any increase of investors' interest and no commercial perspective in a near future, and in accordance with article 28 of the Articles of incorporation, the Board has decided to liquidate the Sub-Fund as specified below:

ISIN Code	Secondary Market Suspension (from and including the below day)	Primary Market Suspension	Liquidation Day (Last NAV close of the below day)	Final Net Asset Value Calculation date
LU1681039563	21/04/2023	24/04/2023 after 17:00 CET	27/04/2023	28/04/2023

Please note that any fees or costs incurred within the context of the liquidation will be borne by the Management Company.

Further, the Board has decided to suspend the subscription and the redemption of Shares within the Sub-Fund as from April 21, 2023 on the Secondary Market and as from April 24, 2023 17:00 CET on the Primary Market.

Until April 24, 2023 17:00 CET, the shareholders of the Sub-Fund (the "**Shareholders**") may therefore continue to request the redemption of their Shares free of charge on the Primary Market in accordance with the provisions of the Prospectus.

For Shares sold on any exchange where the Sub-Fund is listed, placing an order on the Secondary Market will trigger costs over which the Management Company has no influence. Please note that shares that are purchased on the Secondary Market cannot generally be sold back directly to the Sub-Fund. As a result, investors operating on the Secondary Market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the Management Company has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker

for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

The delisting of the Shares from all of the stock exchanges on which they are listed will be effective from the 21st of April 2023, after the close of the stock exchanges of the 20th of April 2023.

Finally, the Board has decided that all the remaining Shareholders will be compulsory redeemed as of April 27, 2023 at the final Net Asset Value of April 27, 2023 calculated on April 28, 2023.

Any liquidation proceeds which cannot be distributed to Shareholders will be deposited on their behalf with the *Caisse de Consignation* in Luxembourg.

This liquidation will be reflected in the Prospectus at the next opportunity.

Yours sincerely,

For the Board.
